It's the way we feel
Tonight
As if it's all unreal
All right
My love, won't you comb back to
Our love, you know I'll react to
the blood that moves my body
Now covers the ground
The blood that moves my body
The blood that moves my body
There's nowhere to go
Tonight
Lend send some warmth to our cold
And lonely lives
Red stains 'Eyes of a Blue Dog'
My pains fade as the interiors fog
The blood that moves my body
Now colours the ground
The blood that moves my body
The blood that moves my body
Not long ago
It hurt us so
A tremble through our lives
The love and care...
The way we were
Lost its way at nights
It's the way we feel
Tonight
Lend some warmth to our cold
and lonely lives
My love, won't you come back to
Our love, you know we'll react to
the blood that moved our bodies
Now covers the ground...
Now covers the ground
The blood that moves the body
The blood that moves my body
