Touch me  
how can it be?  
Believe me  
the sun always shines on T. V.  
Hold me close to your heart

Touch me and give all your love to me - to me.

I reached inside myself and found nothing there to  
ease  
The pressure of my ever worrying mind.  
All my powers waste away  
I fear the crazed and lonely looks  
The mirror's sending me these days.  
Touch me  
how can it be? . . .  
Please don't ask me to defend the shameful lowlands  
Of the way I'm drifting gloomily through time.  
I reached inside myself today thinking  
There's got to be some way to keep my troubles  
distant.  
Touch me  
how can it be? . . .

Hold me close to your heart

Touch me and give all your love to me - to me.
