Woahh oh ohh
Woahh oh ohh
Woahh oh ohh
Woahh oh ohh

So I guess the table's turned
For the first time I can't find the words
To apologise for all the poor decisions and the lessons
that I never
Learned.
'Cause I've got friends that have lost their father and
they're much
Stronger than me
I know people who live their lives in the shadows of
something that they're
Trying to be

And I will try my best to find a smile
And I will close my eyes and say I'm not afraid

And it's time that I was cleared of all the negativity that
I hold so dear
I lost my sight for far too long to take my mind off all
my fears
But I found my way again

And I will try my best to find a smile
And I will close my eyes and say I'm not afraid
And I will try my best to find a smile
And I will close my eyes and say I'm not afraid this time

Woahh oh ohh
Woahh oh ohh
Woahh oh ohh
Woahh oh ohh
Woahh oh ohh (I got you, I got you)
Woahh oh ohh (I got you, find us)
Woahh oh ohh (I got you, find us now)

We will try our best to find a smile
And we will close our eyes and say we're not afraid
We will try our best to find a smile

And we will close our eyes and say we're not afraid
This time

I need to set aside my ways
And figure out all the things I have to change.
