These days my friends aren't who they used to be  
We were all sinners and drunks but now they're too  
mature for me  
Because Mike's on daytime radio and Jon played  
Reading and Leeds  
But I'm still playing The Purple Turtle on New Year's Eve

We are sick and we are tired  
We're all fools and worthless liars  
Young and unemployable  
Lonely, drunk and beautiful  
We're so sick and oh so tired, so tired  
So tired.

Through these cynical, old, bitter eyes, the future's  
hard to see  
These songs do not mean half as much as they should  
do to me  
Because I made plans of being more than just that  
band  
Who had that song about friends and not much else

We are sick and we are tired  
We're all fools and worthless liars  
Young and unemployable  
Lonely, drunk and beautiful  
We're so sick and oh so tired, so tired

I'm not getting any younger  
My bones aren't getting any stronger  
My breath won't last for that much longer.

We are sick and we are tired  
We're all fools and worthless liars  
Young and unemployable  
Lonely, drunk and beautiful  
We're so sick and oh so tired

We are sick and we are tired  
We're all fools and worthless liars  
Young and unemployable  
Lonely, drunk and beautiful

We're so sick and oh so tired, so tired
