Walk around blind I?m in a daze
I?m all ate up I?m in a haze
What?s in my head fair weather friend
Think I?m gonna crack well
Maybe I need to be smacked upside the head
To make me feel alive to make me feel inside
What am I no regrets
What am I no remorse
One on one I?m in this hell
One on one I?m in this hell
It?s strange the way we live
One on one I?m in this
Beat myself cold next in the line
God only knows what?s on my mind
See that I cross the killing floor
It?s not what it is
It?s just what I need to want no mistakes
To choke on a smile that I?ve thrown away
What am I no regrets
What am I no remorse
One on one I?m in this hell
One on one I?m in this hell
It?s strange the way we live
One on one I?m in this hell
