I'm reading from the diary of nobody  
He's the one who closed his eyes  
He's the one who turned his back  
He's the one who never lived

He's never gonna die  
He's never gonna know the reason why  
Today he compromised  
Today he lied to himself  
Yeah he's never gonna die

Nothing to say  
Page after page  
Nothing to dream  
Nothing to ever be

I'm reading from the diary of nobody  
He's the one who closed his eyes  
He's the one who turned his back  
He's the one who never lived

He's never gonna die  
He's never gonna know he never tried  
Another day to justify  
Another day to run and hide  
Yeah he's never gonna die

Nothing to say  
Page after page  
Nothing to dream  
Nothing to ever be

It's all written down in a pale weak hand  
All written down but he'll never understand

Nothing to say  
Page after page  
Nothing to dream  
Nothing to ever be
