"Go For A Ride"

Crawling from the wreckage
Lightning on your breath
Climb back in the driver's seat
Run another race with death

Life ain't meant for crying
It ain't meant for pain
And if it pulls you down
I'll pick you up again

Come on let's go for a ride
Round and round we go
Where it stops no ones knows
Come on let's go for a ride

Call it resurrection
Call it a second chance
I'm gonna pull your puppet strings
Cause I wanna watch you dance

Come on let's go for a ride
Round and round we go
Where it stops no ones knows
Come on let's go for a ride
