"Me Myself I"

Save me from myself
I?m going down I?m going down
A voice inside my head
I?ve never known before I?ve
Never known
Who hides the man
Who filled these shoes
Who walked this ground
I know I sit alone
Surrounded by these walls
They?re closing in
The same old time today
I?ll find my way outside
Sometime today
Who hides the man
Who filled these shoes
Who walked this ground
When you look at me do you see me
When you see me can you look at me
I?m going down
Take it somewhere else leaving me alone
You?ll see things in a different way
Take it somewhere else leaving me alone
Tomorrow is another day
