The world is mine  
But they never asked if I wanted it  
You can't make me go away  
When there's no place left to go

The future is dead  
But the past won't die and it won't stop  
Screaming out my name  
Cause there's nothing more to say

Yeah I'm the last one  
Yeah I'm the only one  
Omega son my will be done  
On earth as it is in heaven

The world is yours  
But the legend won't die cause you won't stop  
Screaming out my name  
Where there's no such thing as me

Yeah I'm the last one  
Yeah I'm the only one  
Omega son my will be done  
On earth as it is in heaven

I am the legend  
I am the thing that stalks the day  
I am the plague and I am the name  
I am the old ways but I'm your new superstition

Yeah I'm the last one  
Yeah I'm the only one  
Omega son my will be done  
On earth as it is in heaven
