Well my jaded smile and my vampire eyes
Can stone you where you stand
Cause every whore was a virgin once
You're sucking up my master plan

I'm creeping through your TV screen
I'm crawling from a nightmare scene
I'm watching while you're watching me
I'm your technicolor dream

Cause my signals strong and my hold is tight
I see every thing you do
Cause what you need I feed to you
Is my message getting through?

I'm creeping through your TV screen
I'm crawling from a nightmare scene
I'm watching while you're watching me
I'm your technicolor dream

You're seeing every thing through me
And every thing you see is me

I'm creeping through your TV screen
I'm crawling from a nightmare scene
I'm watching while you're watching me
I'm your technicolor dream
