Save me from myself  
Iâm going down Iâm going down  
A voice inside my head  
Iâve never known before Iâve  
Never known  
Who hides the man  
Who filled these shoes  
Who walked this ground  
I know I sit alone  
Surrounded by these walls  
Theyâre closing in  
The same old time today  
Iâll find my way outside  
Sometime today

Who hides the man  
Who filled these shoes  
Who walked this ground  
When you look at me do you see me  
When you see me can you look at me  
Iâm going down  
Take it somewhere else leaving me alone  
Youâll see things in a different way  
Take it somewhere else leaving me alone  
Tomorrow is another day
