When I watch you sleep in the night  
I cannot hold back what I feel inside  
You are all I need you know it's true  
So true that I think of making love to you, baby

I can't take my hands off you, baby  
I can't get enough of you  
I can't take my hands off you, baby  
I can't get enough of your love

We're two people, two of a kind  
I know a better love is hard to find  
You give all of you instinctively  
So don't let it into other destiny, baby

I can't take my hands off you, baby  
I can't get enough of you  
I can't take my hands off you, baby  
I can't get enough of your love

I can't take my hands off you, baby  
I can't get enough of you  
I can't take my hands off you, baby  
I can't get enough of your love

Can I touch your body  
Can I rock your body  
Can I touch your body  
Can I rock your body  
I'm gonna rock your body, baby

I can't take my hands off you, baby  
I can't get enough of you  
I can't take my hands off you, baby  
I can't get enough of your love

I can't take my hands off you, baby  
I can't get enough of you  
I can't take my hands off you, baby  
I can't get enough of your love
