

## Sound Of Surrender "Ambulance Anxiety"

Visit "[Ambulance Anxiety](#)" on MotoLyrics.com

I'm gasping for my breath  
My heart is beating out my chest  
Seems I've been here once before  
This is the last time I'll ignore  
I can feel the ambulance anxiety  
And I'm screaming in my sleep.

Please tell me doctor  
Tell me what went wrong?  
I feel the poison  
It's tearing me apart  
Please tell me doctor  
As I sing this song  
I fear these problems  
Won't be gone for long.

As they lay me down to rest  
Now my eyes stay shut for good  
No one left to blame but me  
And I need you if I could  
I am losing everything I thought I'd be  
Making... fall right to her knees

Please tell me doctor  
Tell me what went wrong?  
I feel the poison  
It's tearing me apart  
Please tell me doctor  
As I sing this song  
I fear these problems  
Won't be gone for long.

They won't be gone for long.

Your poison goes on smooth  
But I know it will bury me  
Your poison goes on smooth  
But I know it will bury me

Please tell me doctor  
Tell me what went wrong?  
I feel the poison

It's tearing me apart  
Please tell me doctor  
As I sing this song  
I fear these problems  
Won't be gone for long.

Won't be gone for long.  
Won't be gone for long.
