I saw you looking my way
Tell me who you see?
Is it him or me?

We could never get away
From this fantasy
That obsesses me

1st Chorus:
Madison, look what you've done
Madison

I can never be free
From the tie that binds
Can't leave it all behind

Anyway, you're the one that should leave
Before we sneak away
To some hideaway

2nd Chorus:
Madison, you better run
Madison
Because we don't have a future
And we don't have a past
Madison, what have you done?

Chorus:
