Hey, what'cha think you're doin'?
The way you walkin' thru the room
You make a fool out'ta me, watchn' guys circle round
you

Baby, I wanna be your only one
I know you think it's only fun
But a man's got his dignity, why won't you save me just
a some?

Hey, what'cha think you're doin'?
The way you walkin' round that room

I hear a lone-some, git-ar, weepin' like a willow tree
Baby that's a me!

Darlin', you know I'm not a patient man
You make me sweat, now understand
That a two-timin' lover, don't have'ta sneak undercover
no!

I see your hips move
I see those men with eyes that drool,
I see your hair wave
Your makin' warriors your slave,
I feel your cool touch
A thousand burns just ain't enough
Won't you save it for me
Save it for me...

I see your hips move...
I hear a lone-some, git-ar weepin' like a willow tree
Baby that's a me!

Baby, I wanna be your only one
I know you think it's only fun,
But a man's got his dignity, why won't you save me just
a some?
Save it for me!...

Hey, what'cha think you're doin'?
The way you walkin' round that room
