What'soever I've feared
Has come to life
And what'soever I've fought off
Became my life

Just when everyday
Seemed to greet me with a smile
Sunspots have faded
And now I'm doing time
Now I'm doing time

'Cause I fell on black days
I fell on black days (Black days)

Whomsoever I've cured
I've sickened now
And whomsoever I've cradled
I've put you down

I'm a search light soul
They say
But I can't see it
In the night
I'm only faking when I get it right
When I get it right

'Cause I fell on black days
I fell on black days

How would I know
That this could be my fate?
How would I know
That this could be my fate?

(Bridge)

To what you wanted to see good
Has made you blind
And what you wanted to be yours
Has made it mine

So don't you lock up something
That you wanted to see fly
Hands are for shaking
No, not tying

No, not tying

I sure don't mind a change
I sure don't mind a change
Yeah, I sure don't mind
I sure don't mind a change

I sure don't mind a change

'Cause I fell on black days
I fell on black days (Black days)

How would I know
That this could be my fate?
How would I know
That this could be my fate?
How would I know
That this could be my fate?
How would I know
That this could be my fate?

I sure don't mind a change...
