### "Holy Water"

Holy water on the brain and I'm losing sleep  
Holy bible on the night stand next to me  
As I'm raped by another monkey circus freak  
Trying to take my indignance away from me, from me  
Holy water is rusting me  
Holy water is rusting me  
Is rusting me, rusting me

Bloody murder is the best I've heard her scream  
Holy devil in the flesh some might believe  
And they take thine majesty so seriously  
'Cause it's the big lies, more likely to be believed,  
believed  
Holy water is rusting me  
Holy water is rusting me  
Is rusting me, rusting me

Damn the water if it's life you want to drink  
Mind your mother if it makes you feel at ease  
As you're raped by another monkey circus freak  
'Cause it's the big lies more likely to be believed,  
believed  
Holy water is rusting me  
Holy water is rusting me  
Holy water is rusting me  
Is rusting me, rusting me  
Rusting me, rusting me, rusting me
