And you stare at me in your Jesus Christ pose  
Arms held out like you've been carrying a load  
And you swear to me you don't want to be my slave  
But you're staring at me like I, like I need to be saved,  
saved  
Like I need to be saved, saved  
In your Jesus Christ pose  
In your Jesus Christ pose

Arms held out, in your Jesus Christ pose  
Thorns and shroud like it's the coming of the lord  
And I swear to you that I would never feed you pain  
But you're staring at me like I'm, like I'm driving the  
nails, nails  
Like I'm driving the nails, nails  
Like I'm driving the nails (Nails), nails (Nails), nails  
(Nails)  
Like I'm driving the nails (Nails), nails  
Jesus Christ pose, in your Jesus Christ pose

Arms held out, in your Jesus Christ pose  
Thorns and shroud like it's the coming of the lord  
Would it paid you more to walk on water than to wear a  
crown of thorns  
It wouldn't pain me more to bury you rich than to bury  
you poor  
(Poor) In your Jesus Christ pose  
(Poor) In your Jesus Christ pose
