This is my good eye
Do you hear a cow?
A rooster says
Here is a pig
The devil says

Painted blue across my eyes and tie the linen on
And I'm on my way, I'm on my way
Looking for the paradigm so I can pass it off
Is it on my side, on my side?
Is it to the sky?
Is it to the sky?
Is it to the sky and down?
Searching for a ground with my good eye closed
If I took you for a ride, would you take it wrong?
Or would you make it right, make it right?
Looking for a pedestal that I can put you on
And be on my way, on my way
Is it to the sky?
Is it to the sky?
Is it to the sky and down?
Searching for a ground with my good eye closed
With my good eye closed
With my good eye closed
With my good eye closed
With my good eye closed
With my good eye closed
With my good eye closed

Stop you're trying to bruise my mind
I can do it on my own
Stop you're trying to kill my time
It's been my death since I was born
I don't remember half the time if I'm hiding or I'm lost
But I'm on my way, on my way
Is it to the sky?
Is it to the sky?
Is it to the sky?
Is it to the sky?
Is it to the sky?
(I'm on my way) To the sky

(I'm on my way) To the sky
(I'm on my way) To the sky
(I'm on my way) To the sky
I'm on my way (To the sky)
I'm on my way
I'm on my way

To the sky
To the sky
On my way
On my way

Is it to the sky?
To the sky

Is it to the sky?
Is it to the sky?
To the sky
