Man, look at that rack  
Right next to the popcorn and the battery packs  
Am I supposed to be skinny or fat?  
Hmm

Sometimes I get so depressed  
Am I supposed to wear pants or a see-through dress  
My friends say that I've become obsessed  
Hmm

I wanna be on the cover of a magazine  
I wanna be on the cover of a magazine  
Hair piled high, tons of diamonds  
It all looks good to me

How come it's such a big deal?  
It's about how you look and not how you feel  
All I know is I wanna wear those heels  
Yeah

Every day, everywhere you look  
For \$2.99 you get to sink your hooks  
In the lives of heroes, in the lives of crooks  
It's all good

I wanna be on the cover of a magazine  
I wanna be on the cover of a magazine  
Hair piled high, tons of diamonds  
It all looks good to me

I'm gonna wear a little pillbox hat  
I'll be showing you this, I'll be showing you that  
I finally get to be the homecoming queen  
My mom and dad will be so proud of me

I wanna be on the cover of a magazine  
I wanna be on the cover of a magazine  
Hair piled high, tons of diamonds  
It all looks good to me
