Why did you have to forsake me?
Couldn't you tell me goodbye?
I've been wakin' up lately with tears in my eyes

Love ain't worth making when it makes you the fool
A chance ain't worth takin'
My heart is breakin' when she's holdin' you

You don't know how happy you made me
Couldn't you give it one more try?
I know her arms are waitin' to hold you tonight

Love ain't worth making when it makes you the fool
A chance ain't worth takin'
My heart is breakin' when she's holdin' you

So go on and pack up what's left
Of all that we've shared
You're leavin' me lonely tonight

Love ain't worth making when it makes you the fool
A chance ain't worth takin'
My heart is breakin' when she's holdin' you

A chance ain't worth takin'
My heart is breakin' when she's holdin' you
