(Deana Carter/Randy Scruggs)

If it's a long long road  
Baby I'll walk it  
If it's a mountain high  
Baby I'll cross it  
If it's a deep blue sky  
You know I'll jump out in it  
There's nothing i would not do for you  
There's no limit

If you want my heart  
You can have it  
If you want my soul  
You gotta grab it  
If you want my love  
Then baby come and get it  
There's nothing i would not do for you  
There's no limit

Let's pack that pony up and say goodbye to Hollywood  
Climb into the back and just get on with feeling good  
Let's pack that pony up and bid goodbye to Hollywood  
Slide into the back there's nothing wrong with feeling  
good...  
Feelin' good

If it's a beat up heart  
I'll mend it  
If it's a broken smile  
I'll bend it  
If it's a barbed wire fence  
You know I'll take my chances  
There's nothing i would not do...  
'Cause honey you're living proof  
There's no limit....mmmhmmm

If it's a long long road  
You can have it  
If it's a mountain high  
You gotta grab it  
If it's a deep blue sky

Take your chances (there's no limit)  
Ooh ooh ooh  
If it's a long long road  
There's no limit (there's no limit)  
There's no limit  
There's no limit  
There's no limit
