Well, it?s so good I didn?t have to make it Well, it?s so good I didn?t have to break it

Cause I?m ten years ahead And you?re the echo of the thing I say Yes I?m ten years ahead

Well, it ?s so hard I didn?t want to guide you Right from the start I only wanted to please you I didn?t mean to kill you

But I?m ten years ahead And you?re the echo of the things I said Yes I?m ten years ahead

Well, it ?s no good revolving all around me You know you shouldn?t try to stay behind me When you cannot reach me

Cause I?m ten years ahead And you?re the echo of the words I say Yes I?m ten years ahead

Do do do do dooo? Do do do do dooo?..
