Oh, you trying to let it go  
Trying to keep my eyes closed  
Trying to keep it just like before  
Times when I never even thought to speak

Don't wanna tell u what it is  
Ooo wee it felt so serious  
Got me thinking just too much  
I wanna set if off but

#### chorus

Its this one thing that got me trippin  
Its this one thing that got me triippin (you did)  
This one thing my soul made me feel it  
Its this one thing you did (oh oh oh)

Its this one thing that caught me slippin  
Its this one thing I want to admit it (you did)  
This one thing and I was so wit it  
Its this one thing you did (oh o, ohh)

#### verse 2

Hey we don't know know each other well  
So why I keep picking up my cell  
Memories just keep ringing bells(ding dong ding dong)  
Hear voices I don't wanna understand  
My car keys are jingling in my hand  
My high heels are cliking towards your door  
(oh, oh, oh oh,)

#### Chorus

#### Bridge

(heyyy) And maybe I just make believed it  
(heyyy) Its this one thing you did

(heyyy) I can't deny I'm tired of trying  
Open up the door but I keep on seeing you  
I'm hoping you can keep a secret (from me, from me,  
from me)  
Like what you did

Chorus
