I'm a punk rock prom queen  
Brown paper magazine  
Hotter than you've ever seen  
Everywhere and in between  
I'm a ten-ticket thrill ride  
Don't ya wanna come inside  
A five-star triple-threat  
Hardest of the hard to get  
No one's little red corvette  
Ain't seen nothing like me yet

But it took six whole hours  
And five long days  
For all your lies to come undone  
And those three small words  
Were way too late  
Cause you can't see that I'm the one

I'm your late-night head rush  
Ace-high royal flush  
Red velvet orange crush  
You just don't impress me much  
A glossy double-cover spread  
Opened up inside your head  
A black-cherry paradise  
Half the sugar twice the spice  
I don't wanna treat you nice  
Come on baby roll the dice

But it took six whole hours  
And five long days  
For all your lies to come undone  
And those three small words  
Were way too late  
Can't you see that I'm the one

It took six whole hours  
And five long days  
For all your lies to come undone  
And those three small words  
Were way too late

Cause you cant see that I'm the one

But it took six whole hours  
And five long days  
For all your lies to come undone  
And those three small words  
Were way too late  
Cause you cant see that I'm the one
