UH OH (Kiely)3-L-Dub baby  
We got another one  
Nine Lives

It was the wrong day the wrong month the wrong year  
I wasn't ready  
For all the pain all and the tears  
Baby you crushed me  
Now I have to deal in the worst piece  
You had to go and take it there

[Chorus]  
Now I'm all alone  
Knew I should've took my ass home  
Times when you was putting it on me  
You was putting it on me

I just hate you for it  
Hate you for making me fall in love  
And there's nothing I can do about it  
so blue about it  
Dont wanna be in love

I just hate you for it  
Hate you for making me fall in love  
And there's nothing I can do about it  
So blue about it  
Dont wanna be in love

Thought I could change you  
And turn you into a good man  
thought my love was born  
and things would go as I planned  
But what a fool I was  
you was still was hitting your ex-girlfriend (That's right)  
I had be out you understand

[Chorus]

(Wish that) Wish that things was different babe  
wish that you would love me

the way that I love you boy (Way that I love you)  
Can't believe (Can't believe) you hurt me babe  
Hurt me this way  
I hate to love you cant let go

[Chorus]
