No more feeling like a runner up
a perfect score
gonna make the final cut
it's all good
I think I now can play this game
knock on wood I'm in the fastest lane to fame

chorus:
going all the way like there ain't no tomorrow
gonna clean up today on to midnight or all be gone
gonna break out today coming in for an all-time low
there's nothing more to say but take your mark get set
and go now

hot blood, burning through my veins
suck in her blood
it's time to make a change
not crazy this is my event
yes no maybe got a fool up my tent

chorus:
going all the way like there ain't no tomorrow
gonna clean up today on to midnight or all be gone
gonna break out today coming in for an all-time low
there's nothing more to say but take your mark get set
and go now

touch me here
the light turns red
50 dollar hair cut on a ten cent head
way cool now no need to fear
breaking out now
x2

chorus:
going all the way like there ain't no tomorrow
gonna clean up today on to midnight or all be gone
gonna break out today coming in for an all-time low
there's nothing more to say but take your mark get set
and go now
x2

there's nothing more to say but take your mark get set
and go now
just go now
