"And She Was"

And she was lying in the grass
And she could hear the highway breathing
And she could see a nearby factory
She's making sure she is not dreaming
See the lights of a neighbor's house
Now she's starting to rise
Take a minute to concentrate
And she opens up her eyes

The world was moving and she was right there with it
(and she was)
The world was moving she was floating above it (and
she was) and she was

And she was drifting through the backyard
And she was taking off her dress
And she was moving very slowly
Rising up above the earth
Moving into the universe
Drifting this way and that
Not touching ground at all
Up above the yard

Chorus

She was glad about it... no doubt about it
She isn't sure where she's gone
No time to think about what to tell them
No time to think about what she's done
And she was

And she was looking at herself
And things were looking like a movie
She had a pleasant elevation
She's moving out in all directions

Chorus

Joining the world of missing persons (and she was)
Missing enough to feel alright (and she was)
