(bravo bravo medie meseemo!)

Christine, Christine, (christine)

where in the world have you been hiding  
really you were perfect  
i only wish i knew your secret  
who is your great tutor

father once spoke of an angel  
i used to dream he'd appear  
now as i sing i can sense him  
and i know he's here  
here in this room he calls me softly  
somewhere insdie, hiding  
somehow i know he's always with me  
he's the unseen genius

christine you must have been dreaming  
stories like this can't come true  
christine your talking in riddles  
and it's not like you

angel of music guide and gaurd me  
greatly your glory  
angel of music hide no longer  
sing with that strange angel

he's with me in the night  
your hands are cold (around me)  
your face christine, it's white  
he frightens me  
don't be frightened....
