Are you ready?!

Are you ready?!

Action boy, now

Action girl, now

Be prepared the climb another mountain (Are you ready?!)

Action boy, now

Action girl, now

Be prepared the circle 'cross the ocean

Be prepared to fill your plate

Be prepared, don't hesitate

Be prepared for a great big bust

Be prepared to do what you must

Be prepared to take a hit

Be prepared to go for it

Be prepared for a sneak attack

Be prepared just don't look back

They say, "Where there's a will there's a way."

We've heard these are the things that they say

So, reach out for that big fat star

Stick to the groove and go real far

Outrun the ones who steal your fire

Are you ready?!

Are you ready?!

Action boy, now

Action girl, now

Be prepared to blast into the future

Action boy, now

Action girl, now

Be prepared to rearrange the future

Be prepared to fill your plate

Be prepared, don't hesitate

Be prepared for a great big bust

Be prepared to do what you must

Be prepared to take a hit
Be prepared to go for it
Be prepared for a sneak attack
Be prepared just don't look back

Are you ready?!
Are you ready?!
Are you ready?!
