Well, you're all dressed up

And then you had some place to go  
Yeah, you waited so long just to get into my show

[CHORUS]

Don't you know that you're not invited?  
Don't you know that's why I like it?  
Backstage, there's no backstage for you  
Because backstage, there's not enough room for you

You waited to the left, saw em',  
Then, you made your move  
drink after drink till u got something to prove  
Sweetheart!

[Chorus]

So, you look so foxy  
Yeah, your band plays something new  
And you're telling all your friends  
That I wouldn't talk to you, no

REPEAT CHORUS

Backstage (4x)
