Someone falls to pieces
sleepin all alone
someone kills the pain
spinning in the silence
she finally drifts away
someone gets excited
in a chapel yard
catches a bouquet
another lays a dozen
white roses on a grave

to be yourself is all that you can do
to be yourself is all that you can do

someone finds salvation in everyone
another only pain
someone tries to hide themself
down inside himself he prays
someone swears his true love
until the end of time
another runs away
seperate or united?
healthy or insane?

to be yourself is all that you can do
to be yourself is all that you can do
to be yourself is all that you can do
to be yourself is all that you can do

even when you've paid enough
been put upon or been held up
or been in love
>with every single memory of
the good or bad, faces of luck
don't lose any sleep tonight
i'm sure everything will end up alright
you may win or lose

but to be yourself is all that you can do
to be yourself is all that you can do
