Moon hangs around  
A blade over my head  
Reminds me what to do before I'm dead  
Night consumes light  
And all I dread  
Reminds me what to do before I'm dead

The sun reclines  
Eats my mind  
Reminds me what to leave behind  
Light eats night  
And all I never said  
Reminds me what to do before I'm

To see you  
To touch you  
To see you  
To touch you

Epochs fly, reminds me  
What I hide, reminds me  
The desert skies  
Cracks the spies  
Reminds me what I never tried  
The ocean wide salted red  
Reminds me what to do before I'm

To see you  
To touch you  
To feel you  
To tell you

The sun reclines - remind me  
The desert skies - remind me  
The ocean wide salted red  
Reminds me what to do before I'm

Echo:  
See you  
Touch you  
Feel you

Tell you
