had not long ago.

I know that I, I don't ever wanna be the one to make you forget it.

I, I don't ever wanna be the one to make you resent it.

I, I don't ever wanna be the one to make you regret it.

I, I don't ever wanna be never wanna be never wanna be.

Chorus: It's the beginning of the end I don't know where we lost control.

It's the beginning of the end and I know that I am all alone.

Interrogation has replaced the trust we had.

Your misguided accusations helping me to turn my back.

I know that I, I don't ever wanna be the one to make you divide it.

I, I don't ever wanna be the one to make you deny it.

I, I don't ever wanna be the one to make you deprive it.

I, I don't ever wanna be never wanna be never wanna be.

Chorus: It's the beginning of the end I don't know where we lost control.

It's the beginning of the end and I know that I am all alone.

I thought that we would find our way.

I thought our lives would be okay.

I thought that you believed in me.

But now it seems so far away.

The life the knew before is gone.

There is no compromising.

The life you save will be your own.

To find your inner senses. (x3)

Chorus(x2): It's the beginning of the end I don't know

where we lost control.

It's the beginning of the end and I know that I am all
alone.
