Life is what you make it
At least that's what they say
Well I think I'm gonna make it
Fulfill my dreams one day
I feel this fire growin' deep inside of me
I'm so inspired knowin' that it's my destiny

I breathe like a champion
I dream I'm a champion
I see I'm a champion
It's meant to be
My wills gettin' stronger
I can't wait any longer
I'm singin' a song that's inside of me

'Cause I'm a believer
I know that I can make it
No matter what they say
So I'm a believer
The future is now
It starts today

(I keep my head up)

Everyday I'm waitin'
Tryin' to find the patience
So close I can taste it
But sometimes it's so hard
But I'ma keep on pushin'
And I'ma keep on fightin'
And I'ma keep on tryin' because I've come too far

I breathe like a champion
I dream I'm a champion
I see I'm a champion
It's meant to be
My wills gettin' stronger
I can't wait any longer
I'm singin' a song that's inside of me

'Cause I'm a believer

I know that I can make it
No matter what they say
So I'm a believer
The future is now
It starts today

The future is now
It starts today
