Then she was gone and from now on I'm gonna be a  
different man  
Then she pulled out a pen and suprised me when she  
wrote her number on my hand  
And a gwen stefani smile  
With the red prada boots  
She wore a cowboy hat  
She's not the usuall type  
Can't say exactly what it was

Had the best day of my life  
Just another day that I  
she took me down  
Then she turned around  
Just another girl that took my breath away  
Just another day that started out like any other  
Chorus:

It goes to show you never know when everythings about  
to change  
Just the same old same  
Grabed my jeans off the floor then I hit the door  
Put down about a quart of caffein to start my pulse and  
then  
Woke up around a half past ten can't believe that I'm  
late again  
Chorus

I guess It goes to show  
You never really know  
When everythings about to change

(x2) Just another day that started out like any other  
Just another girl who took my breath away  
Then she turned around she took me down  
Just another day that I had the best day of my life
