### "Between The Lines"

Visit "[Between The Lines](#)" on [MotoLyrics.com](http://MotoLyrics.com)

I'd like to be nice to the people I know. I don,t  
wanna let them down. Love is like a lotion you  
can let it flow. Every time you come around.  
The say happiness is Love's security, some say  
it's a state of mind. It's hard to tell the difference in the  
forest and the trees, You gotta learn to read  
between the lines.

Life is only what you, want it to be. I can live  
without the pain. Friendships come and go for,  
You and for me.Nothin' ever stays the same.  
Another night is over and your all alone. I hope you  
have a

very nice day.I fell deep in Love the day I met her. In  
Blindness I felt she could do no wrong. I  
wanted to be with that girl forever. But That  
was long before I wrote this song.

We started spending every night together.  
My world was getting brighter every day.  
I wanted to be with that girl forever.I never  
dreamed that I would ever say.

She did the Crime and I did the Time. There's no  
such thing as justice anymore. She stole my  
heart and tore my world apart. She threw away my  
happiness and locked the door. I testified in my  
heart's defense, but her cheatin' litigation made  
a plea. She lied and got acquitted and destroyed the  
evidence,thats how She did the Crime and I did the  
time(instrumental break)

It started with a phone call from her mother.  
A family friend was comin' into Town. The friend turned  
out to be

her other lover. Now there in Love and my world's  
upside down. I cought her makin Love to him one  
Mornin'. It must have been before the break of  
dawn. My sorrow turned to rage and then I shot her.  
Now the only one I ever loved is gone.

She did the Crime and I did the Time. There's no  
such thing as justice anymore. She stole my  
heart and tore my world apart. She threw away my  
happiness and locked the door. I testified in my  
heart's defense, but her cheatin' litigation made

a plea. She lied and got acquitted and destroyed the evidence, that's how She did the Crime and I did the time. Yeah She did the crime and I did the time
