### "Bewitched"

Bewitched, bewitched, you've got me in your spell.  
Bewitched, bewitched, you know your craft so well.  
Before I knew what you were doing I looked in your  
eyes.  
That brand of woo that you've been brew-in' took me by  
surprise.

You witch, you witch, one thing that's for sure,  
That stuff you pitch - just hasn't got a cure.  
My heart was under lock and key - but somehow it got  
unhitched.  
I never thought my heart could be had.  
But now I'm caught and I'm kinda glad to be--  
Bewitched. Bewitched-witched.
