Oh, she makes you cold, colder than ice
And she gives you that look, gets you lookin' twice
Where's all the love?
Now it's a rollin' dice
Before you know it she's gone
And I paid the price

CHORUS

She's like a bird on a wire Won't come down, won't get higher She sets my heart on fire Like a bird on a wire (Repeat)

Oh she makes you cold like you're out of steel Gives all the love that you think is real Thought it was me, it had to be healed Boy now she's gone, like a rollin' wheel

CHORUS

And now she's gone away to another day

CHORUS

And now she's gone away to another day

CHORUS
