Can I ask you a question, please?
Promise you won't laugh at me?
Honestly I'm standing here, afraid I'll be the chain
As twisted as it seems, I only feel love when it's in my
dreams
So let in the morning light
Let the darkness fade away...

Can you turn my black roses red?
Can you turn my black roses red?
(La, la, la, la, la, la, la, la, la, la, la, la, la, la, un huh,
hmmmmm)

Drowning in my loneliness
How long must I hold my breath?
So much emptiness inside, I could feel the deepest sea
I reach to the sky as the moon looks on
One last tear has come and gone
Dying to let your love rain down on me

Can you turn my black roses red? (Can you turn my
black roses red?)
Can you turn my black roses red? (Can you turn my
black roses red?)
Can you turn my black roses red?

'Cause I feel alive! I'm livin' on love
I feel alive! I'm livin' on love
I feel alive! I'm livin' on love
I feel alive! I'm livin' on loooove
I feel alive! I'm livin' on love
I feel alive! I'm livin' on love
I feel alive! I'm livin' on loooooove
(La, la, la, la, la, la, la, la, la, la, la, la, la, la, un huh,
hmmmmm)

Can you turn my black roses red? (Can you turn my
black roses red?)
Can you turn my black roses red? (Can you turn my
black roses red?)
Can you turn my black roses red?

x2
