You've got a great car
Yeah, what's wrong with it today?
I used to have one too
Maybe you should come and have a look
I really like your hairdo
I'm glad you like mine too
I see we're looking pretty cool
So what do you do?
Oh, you're waiting tables too?
No I haven't heard your band
Because you guys are pretty new
But if you love vegan food
Come over to my work
I'll have them look you something that you'll really love
Cuz I like you
Yeah I like you
And I feel so Bohemian like you
Wait
Who's that guy, just hangin at your pad?
He's looking kinda sad
Oh, you broke up?
That's too bad
But I guess it's fair
If he always pays the rent
And he doesn't get all bent
About sleeping on the couch when I'm there
Cuz I like you
Yeah I like you
And I'm feeling so bohemian
I feel so bohemian like you
And I want you
Please
Just a casual thing
Cuz I like you I like you I like you
Whoo-hoo-ooo
