Grew up in a small town
and when the rain would fall down
I'd just stare at my window
dreamin' of what could be
and if i'd end up happy
I would pray

tryin not to reach out
but when I tried to speak out
felt like no one could hear me
wanted to belong here
but something felt so wrong here
so I prayed
I could breakaway

I'll spread my wings and I'll learn how to fly
I do what it takes till I touch the sky and I'll
make a wish
take a chance
make a change
and breakaway
Out of the darkness and into the sun
but I won't forget all the ones that I loved
I'll take a risk
take a chance
make a change
and breakaway

Wanna feel the warm breeze
sleep under a palm tree
feel the rush of the ocean
get onboard a fast train
travel on a jet plane
faraway
and breakaway

I'll spread my wings and I'll learn how to fly
I'll do what it takes till I touch the sky and I'll
make a wish
take a chance
make a change

and breakaway
Out of the darkness and into the sun
but I won't forget all the ones that I loved
I gotta take a risk
take a chance
make a change
and breakaway

buildings with a hundred floors
swinging around 'round revolving doors
maybe I dont know where they'll take me
but gotta keep movin' on, movin on
fly away
breakaway

I'll spread my wings and I'll learn how to fly
though its not easy to tell you goodbye
gotta take a risk
take a chance
make a change
and breakaway
Out of the darkness and into the sun
but I won't forget the place I come from
I gotta take a risk
take a chance
make a change
and breakaway

breakaway, breakaway
