You promised me the ending would be clear  
You'd let me know when the time was now  
Don't let me know when you're opening the door  
Stab me in the dark, let me disappear

Memories that flutter like bats out of hell  
Stab you from the city spires  
Life wasn't worth the balance  
Or the crumpled paper it was written on

Don't let me know we're invisible  
Don't let me know we're invisible

Hot cash days that you trailed around  
Cold cold nights under chrome and glass  
Led me downriver of perfumed limbs  
Sent me to the streets with the good time girls

Don't let me know we're invisible  
Don't let me know we're invisible

We could dance, dance, dance thru' the fire  
Dance, dance, dance thru' the fire

Feed me no lies  
I don't know about you, I don't know about you  
Breathe through the years  
I don't know about you, I don't know about you  
Bring me the disco king  
I don't know about you, I don't know about you  
Dead or alive, feed me no lies  
Bring me the disco king, bring me the disco king  
Bring me the disco king, bring me the head of the  
disco king

Spin-offs with those who slept like corpses  
Damp morning rays in the stiff bad clubs  
Killing time in the '70s

Smelling of love through the moist winds  
Don't let me know when you're opening the door  
Close me in the dark, let me disappear  
Soon there'll be nothing left of me  
Nothing left to release

Dance, dance, dance thru' the fire  
Dance, dance, dance thru' the fire  
Tell me no lies  
I don't know about you, I don't know about you  
Breathe through the years  
I don't know about you, I don't know about you  
Bring me the disco king  
I don't know about you, I don't know about you  
Breathe through the years  
Dead or alive  
Bring me the disco king  
Bring me the disco king, bring me the disco king  
Bring me the disco king, bring me the disco king  
Bring me the disco king, bring me the disco king  
Bring me the disco king
