Brother My Brother  
Performed by Blessid Union of Souls

Brother my brother  
Tell me what are we fighting for  
We got to end this war  
We should love one another  
Oh, can't we just pretend  
This war never began

We can try  
Brother my brother

We face each other  
From different sides  
The anger burns  
Can't remember why  
It's kind of crazy to cause such pain  
Our foolish pride makes us hate this way

We watch our world fall apart  
Tell me what good is when it  
When you lose your heart

Brother my brother  
Tell me what are we fighting for  
Isn't life worth so much more  
We should love one another  
Oh, can't we just pretend  
This war never began

Tell me why  
Brother my brother  
We can try  
Brother my brother

Let's take a moment and look deep inside  
And say we'll give love another try  
We're not as different as we seem to be  
There's so much more to me than what you see

We don't have to be this way  
Think about the consequences  
Turn around and walk away

Brother my brother  
Tell me what are we fighting for  
Isn't life worth so much more  
We should love one another  
Oh, can't we just pretend  
This war never began

Tell me why  
Brother my brother  
Tell me why  
Brother my brother

What are we fighting for  
Isn't life just worth so much more  
Love one another  
Tell me why  
Brother my brother

Brother my brother  
Tell me why  
Can't we just love one another  
Brother my brother  
My brother
