Every single night the same arrangement  
I go out and fight the fight  
Still, I always feel the strange estrangement  
Nothing here is real,  
Nothing here is right  
I've been making shows of trading blows  
Just hoping no one knows  
That I've been

Going through the motions  
Walking through the part  
Nothing seems to penetrate my heart  
I was always brave and kind of righteous  
Now I find I'm wavering  
Crawl out of your grave you'll find this fight  
Just doesn't mean a thing  
She ain't got that swing  
Thanks for noticing  
She does pretty well with fiends from hell  
But lately, we can tell  
That she's just

Going through the motions  
Faking it somehow  
She's not even half the girl she...  
ow  
Will I stay this way forever?  
Sleepwalk through my life's endeavour  
How can I repay?  
Whatever  
I don't want to be

Going through the motions  
Losing all my drive  
I can't even see  
If this is really me  
And I just wanna be  
Alive
