Did you ever feel like you wanna be
Someone else for just one day?
Did you ever feel like you wanna see
Through another pair of eyes?
Did you ever think I might wanna be
With anyone else for just one day?
Did you ever really think of me
When I walked away?

(PRE-CHORUS)

The look the drunks and the bottle
The smokes the slouch of my eyes and a
You think you know what you think you'll find
Think you'll figure me out tonight
But you'll never know what I won't share
Cuz I don't care no I don't care
You think you'll figure me out tonight
But I don't care

(CHORUS)

And I wonder if I'm just built this way
Cuz every man that I know makes me feel like I'm too
plain
When it's over and my selfish ways
Go back to start again
Go back to start again

Did you ever feel like you should have said
Something smarter at the time?
Did you ever feel like you should've kept
It all to yourself?
Did you ever think it might be your fault
I never promise anymore?
Did you ever think it might not be me
No it was always me
