don't look, don't look  
the shadows breathe  
whispering me away from you  
don't wake at night to watch her sleep  
you know that you will always see  
this trembling, adored, tousled bird-mad girl

every night i burn  
every night i call your name  
every night i burn  
every night i fall again

don't talk of love 'cause shadows blur  
murmuring me away from you  
don't talk of worlds that never were  
the end is always ever true  
there's nothing you can ever say  
nothing you can ever do

still every night i burn  
every night i scream your name  
every night i burn  
every night the dream's the same  
every night i burn  
waiting for my only friend  
every night i burn  
waiting for the world to end

just paint your face and shadow smile  
slipping me away from you  
oh it doesn't matter how you hide  
find you if we're wanting to  
so slide back down and close your eyes  
sleep awhile - you must be tired

when every night i burn  
every night i call your name  
every night i burn  
every night i fall again

every night i burn

scream the animal screams  
every night i burn  
dream the crow black dream

dream the crow black dream

Still every night I burn, every night I scream your name.  
Every night I burn, Every night the dream's the same.

Every night I burn, screaming the animal scream  
Every night I burn, dreaming the crow-black dream.  
yeah, yeah  
Dreaming the crow-black dream
