"By Myself/Lover Has Gone"

I'll go my way by myself, this is the end of romance.
I'm gonna go my way by myself, love is only a dance.
I'll try to apply myself, teach my heart to sing.
Yeah you can bet I'll go my way by myself like a bird on
the wing,
I'll face the unknown, I'll build a world of my own;
There ain't nobody knows better than I, myself, I'm by
myself alone.

When you're alone, who cares for starlit skies
When you're alone, magic moonlight dies
At break of dawn, there is no sunrise
When your lover has gone

What lonely hours, all evening shadows bring
Such lonely lonely hours, with memories lingering
Just like faded flowers, life will never mean anything
When your lover has gone

Work it out

I'll face the unknown, I might even go out to make me a
world of my own;
There ain't nobody not in this room no time never
knows better than I, myself, I'm by myself alone.
