Dah pretty ladies around the world
Got a weird thing to show you,
So tell all the boys and girls.
Tell your brother, your sister
And mama too, cause they're
About to go down
And you'll know just what to do.

Wave your hands in the air
Like you don't care, glide by
The People as they start to look and stare.
Do you dance, do your dance quick
Mama, come on baby, tell me what's
The Word, ah - word up,
Everybody say when you hear the call
You got to get it underway,
Word up, it's the code word,
No matter where you say it,
You'll know that you'll be heard.

Now all you sucker. D.J.'s
Who think you're fly
There's got to be a reason
And we know the reason why.
Why you put on those airs
And act real cool
But you got to realise
That you're acting like fools.
If there's music we can use it
We need to dance.
We don't have no time
For psychological romance
No romance
No romance
No romance for me mama
Come on baby tell me what's the word.
Ah - word up,
Everybody say when you hear the call
You got to get it underway.

Dial "L" for love

Come on, all you people say...
Word up - word up
