(Galleria)

There's a time when we all choose

(Dorinda)

To either quit

(Aqua)

or follow through

(Galleria)

To just loose faith

(Aqua)

or trust your heart somehow lead you through the dark

(Galleria)

were not the only one

(Dorinda)

whos dreamin'

(Chanel)

who needs help to carry on

(all)

We might get lonely but were not alone

Cuz we are sisters we stand together

we make up one big family though we don't look the

same our spots are different,

different colors we make stronger that aint ever gonna

change

We're Cheetah girls Cheetah sisters

Gotta do what i gotta do

Got the brains got the power and we speak the the truth

(Chanel)

We're from everywhere all around the world

so you best respect the cheetah girls

(Dorinda)

Dancing singin from our birth

Working hard for what we deserve

(Chanel)

Trying not to break the rules

(all)

Cause mamma didn't raise no fool

It may seem where only dreamin'

(Galleria)

And we need help to carry on

It's good to know we're not alone

Cuz we are sisters we stand together

We make up one big family although

we don't look the same

Our spots are different, different colors (different colors)

We make make each other stronger

that ain't ever gonna change (we're even mister)

We're cheetah girls cheetah sisters

(Galleria)

Someones always there behind

(all)

To catch us if we fall

(all)

Cuz we are sisters we stand together

We make up one big family although

we don't look the same

Our spots are different, different colors (different colors)

We make make each other stronger

that aint ever gonna change

(Galleria)

We're even mister

We're cheetah girls cheetah sisters
